Thomas R. Guskey is Professor Emeritus in the College of Education at the University of Kentucky where he served as Department Chair, Head of the Educational Psychology Area Committee, and President of the Faculty Council. Dr. Guskey is the author/editor of 24 award-winning books and more than 250 book chapters, articles, and professional papers on educational measurement, evaluation, assessment, grading, and professional learning. His work is dedicated to helping teachers and school leaders use quality educational research to help all of their students learn well and gain the many valuable benefits of that success.
